

All references to VBrick Systems, Inc. ("VBrick") in these Terms and Conditions should be read as "Contractor (immixTechnology, Inc.), acting by and through its supplier, VBrick Systems, Inc."

Usage of the software product (as defined herein) is restricted to the number of licenses purchased.

TERMS AND CONDITIONS FOR VBRICK PRODUCTS AND SERVICES

GRANT OF LICENSE

The Software Product is being licensed, not sold, to You. In accordance with and subject to these terms and conditions, VBrick grants You a personal, non-transferable, non-exclusive license to use the object code version of the Software Product and Documentation. All rights and title in and to the Software Product and Documentation and all derivative works thereof (as such term is defined by the United States Copyright Act (as amended) at Title 17 U.S.C.), including without limitation copyrights and trade secret rights, belong to VBrick and/or its partners, licensors and suppliers (collectively, "Suppliers"), and VBrick and its Suppliers hold title to each copy of the Software Product and Documentation, and any portion thereof. VBrick and its Suppliers reserve all rights to the Software Product and Documentation not expressly granted to You herein. These terms grant You the following rights:

Software Product. You may install and use one copy of the Software Product, or any prior version for the same operating system, only on the number of computers and users for which the license is given pursuant to Your Purchase Order. In addition, You may make a copy of the Software Product for backup purposes at no cost. Except as expressly provided herein, You may not copy, nor encourage or allow copying of, the Software Product or Documentation. You may not cause or permit the disclosure, copying, renting, licensing, sublicensing, leasing, dissemination or other distribution of the Software Product or the Documentation by any means or in any form without VBrick's prior written consent.

Storage/Network Use. You may also store or install a copy of the Software Product on a storage device, such as a network server, used only to install or run the Software Product on Your other computers over an internal network; however, You must acquire either a Single User License for each separate computer on which the Software Product is installed or run from the storage device, or a Single Building License or an Enterprise License (defined below). If You have acquired appropriate licenses to allow installation of the Software Product on a computer file server within Your internal network You may also use such server to push firmware updates to other VBrick products. No server or network use of the Software Product is permitted except the uses expressly permitted in these terms.

Single User License. You may use the Software Product on one computer only, or must have a license for each computer on which the Software Product is installed. A Single User License for the Software Product may not be shared or used concurrently on different computers or by separate users unless otherwise specified in Your Purchase Order.

Connection License. You are granted license to interconnect a single external server to Your VBrick Server Software; additional connections require purchase of additional connection licenses.

Evaluation Software License. If You are provided with any evaluation or demo software from VBrick, You are bound by these terms with respect to such software with the additional condition that such software may be used solely for evaluation purposes and only during the evaluation term set by VBrick, or for 30 days if no evaluation term was set by VBrick. VBrick reserves the right to terminate any evaluation term at any time for any reason. VBrick does not warrant or support unlicensed software or software provided for evaluation or demonstration purposes.

Open Source Licenses. Some VBrick products use open source software provided by third parties. VBrick acknowledges the use of third-party open source software and licenses in some VBrick products. The freely available source code and licenses are posted at www.VBrick.com/opensource and www.VBrick.com/help/opensource/opensource.html respectively.

No Modification. You may not alter or modify the Software Product or create a new installer for the Software Product. The Software Product is licensed and distributed for viewing, distributing, and sharing media files. You are not authorized to integrate or use the Software Product with any software except software authorized by VBrick.

Automatic Connection. THE SOFTWARE PRODUCT MAY INCLUDE PRODUCT ACTIVATION AND OTHER TECHNOLOGY DESIGNED TO PREVENT UNAUTHORIZED USE AND COPYING. THIS TECHNOLOGY MAY CAUSE YOUR COMPUTER TO AUTOMATICALLY CONNECT TO THE INTERNET. ADDITIONALLY, ONCE CONNECTED, THE SOFTWARE PRODUCT MAY TRANSMIT YOUR SERIAL NUMBER TO VBRICK OR ITS SUPPLIERS AND IN DOING SO MAY PREVENT USES OF THE SOFTWARE THAT ARE NOT PERMITTED.

Third-Party Website Access. The Software Product may allow You to access third-party websites ("Third-Party Sites"). Your access to and use of any Third-Party Sites, including but not limited to any goods, services, or information made available for such sites, is governed by the terms and conditions found at each Third Party Site, if any. Third-Party Sites are not owned or operated by VBrick or its Suppliers. YOUR USE OF THIRD-PARTY SITES IS AT YOUR OWN RISK. NEITHER VBRICK NOR ITS SUPPLIERS MAKES ANY WARRANTIES, CONDITIONS, INDEMNITIES, REPRESENTATIONS, OR TERMS, EXPRESS OR IMPLIED, WHETHER BY STATUTE, COMMON LAW, CUSTOM, USAGE, OR OTHERWISE AS TO ANY OTHER MATTERS, INCLUDING BUT NOT LIMITED TO NONINFRINGEMENT OF THIRD-PARTY RIGHTS, TITLE, INTEGRATION, ACCURACY, SECURITY, AVAILABILITY, SATISFACTORY QUALITY, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE WITH RESPECT TO THE THIRD-PARTY SITES.

Compliance With Licenses. If You are an entity, You agree that upon request from VBrick or VBrick's authorized representative, You will within thirty (30) days fully document and certify that use of any and all Software Products at the time of the request is in conformity with Your valid license(s) from VBrick and/or its Suppliers.

ACCEPTANCE/INSPECTION

The Contractor (immixTechnology, Inc.) can only, and shall only tender for acceptance those items that substantially conform to the software manufacturer's ("VBRICK") published specifications. Therefore, items delivered shall be considered accepted upon delivery. The Government reserves the right to inspect or test any supplies or services that have been delivered. The Government may require repair or replacement of nonconforming supplies or re-performance of nonconforming services at no increase in contract price. If repair/replacement or re-performance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights-

- (1) Within the warranty period; and
- (2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

OTHER RIGHTS AND LIMITATIONS

Limitations on Reverse Engineering, Decompilation, and Disassembly. You may not reverse engineer, decompile, or disassemble the Software Product, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation. You may not use the Software Product to conduct a service bureau or similar business for the benefit of third parties. You may not modify, adapt, translate, or otherwise create derivative works based on the Software Product or Documentation.

Separation of Components. The Software Product is licensed as a single product. Its component parts may not be separated for use on more than one computer beyond the licensed number of users. If the Software Product is an upgrade

or a revision of a component of a package of software programs that You licensed as a single product, the Software Product may be used and transferred only as part of that single product package and may not be separated for use on more than one computer.

Dual Media Software. You may receive the Software Product in more than one medium. Regardless of the type or size of medium You receive, You may use only one medium that is appropriate for the computer or computers for which the license is given (pursuant to the Purchase Order). You may not use or install the other medium on another computer. You may not loan, rent, lease, or otherwise transfer the other medium to another user, except as part of the permanent transfer (as provided below) of the Software Product.

Support Services. VBrick may or may not provide You with support services related to the Software Product ("Support Services"). Any supplemental software code provided to You as part of the Support Services shall be considered part of the Software Product and subject to these software licensing terms and conditions. With respect to any technical information You may provide as part of the Support Services, VBrick may use such information for its business purposes, including but not limited to product support and development.

Software Transfer. If You are an entity, You may make a one-time permanent transfer of all of Your rights under these terms to another end-user in connection with a sale of Your business or a change of control transaction, provided that You retain no copies and transfer of all of the Software Product and Documentation (including all component parts, the media and printed materials, any upgrades, these terms and conditions, and, if applicable, the Certificate of Authenticity), and the recipient agrees to the terms of these terms and conditions. If the Software Product is an upgrade, any transfer must include all prior versions of the Software Product.

Term and Termination. The software license and these term and conditions are effective until terminated. You may terminate the software license at any time by discontinuing Your use of the Software Product, notifying VBrick in writing, and by removing the Software Product from the memory and/or hard drive of any computer into which the Software Product has been transferred. Upon termination, You shall immediately discontinue the use of the Software Product and shall return, or provide certification to VBrick of the destruction of, all copies of the Software Product and the Documentation. All provisions hereof relating to disclaimers of warranties, limitation of liability, remedies or damages, and VBrick's proprietary rights, shall survive any termination of the software license.

COPYRIGHT

All title and copyrights in and to the Software Product (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into the Software Product), the Documentation or other accompanying printed materials, and any copies of them are owned and retained by VBrick and/or its Suppliers. Copyright laws and international treaty provisions protect the Software Product. Therefore, You must treat the Software Product like any other copyrighted material, except that You may install a copy of the Software Product on a single computer, storage device or as otherwise provided in these terms, provided that You keep the original solely for backup or archival purposes. You may not copy the printed materials accompanying the Software Product.

RESPECT FOR RIGHTS

You agree that You shall only use the Software Product and Documentation in a manner that complies with these terms, and all applicable laws in the jurisdiction in which You use the Software Product and Documentation, including but not limited to applicable restrictions concerning copyright and other intellectual property rights. This Software Product is intended for use only with properly licensed media and content. It is Your responsibility to ascertain whether any copyright, patent, or licenses are necessary and to obtain any such licenses to duplicate, modify, transmit, distribute, and/or create or compress such media or content. VBrick and its affiliates, licensors, and suppliers, and each of their

officers, directors, stockholders, employees, representatives and agents, shall not be responsible for any and all losses, damages, costs, expenses (including court costs and attorneys' fees), fines, or claims arising from or relating to any claim (i) connected with Your use of the Software Product or Documentation; or (ii) that the Software Product or Documentation was used by You in connection with the duplication, modification, transmission or distribution of, or any other action relating to any content or materials in violation of another party's rights or in violation of any law. You may not use the Software Product in conjunction with any device or service designed to circumvent technological measures employed to control access to, or the rights in, a content file or other work protected by the copyright laws of any jurisdiction.

CONFIDENTIALITY

You acknowledge that the Software Product and Documentation contain proprietary and confidential property of VBrick and/or its Suppliers (collectively, "Confidential Information"). Except where otherwise required by law or regulation, You will not disclose, provide or otherwise make available any such Confidential Information to any third party. Neither party shall use the other party's name in any press release, advertising, promotional material or other public statement without the express written consent of the other party.

U.S. GOVERNMENT RESTRICTED RIGHTS

The Software Product and Documentation are provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights at 48 CFR 52.227-19, or RESTRICTED RIGHTS notice per 52.227-14 as applicable. Manufacturer is VBrick Systems, Inc. 12 Beaumont Road, Wallingford, CT 06492 USA.

EXPORT RESTRICTIONS

You acknowledge that the Software Product, Documentation and/or technical data associated therewith ("Technical Data") are subject to the export control laws of the United States. You agree that You shall comply with all applicable U.S. export control laws and regulations, and shall not export or re-export the Software Product, Documentation and/or Technical Data, or direct products thereof, except as authorized by U.S. law.

Without limiting the foregoing, You agree that You will not export or re-export the Software Product or Documentation to any country, person, entity, or end user that is subject to US export restrictions. Restricted countries currently include, but may not be limited to: Cuba, Iran, Iraq, Libya, Kosovo (Serbian controlled), Montenegro, Serbia, North Korea, Sudan and Syria and any Taliban-controlled areas of Afghanistan, or any other U.S.-embargoed country or area.

You agree not to export, re-export, or otherwise disclose the Software Product, Documentation and/or Technical Data to any national of the above-listed countries, or to any other person or entity prohibited from receiving U.S. exports or to any entity which engages in the development, production, or stockpiling of missiles or nuclear, chemical, or biological weapons.

Without limiting any of the foregoing, if You export the Software Product, Documentation or Technical Data from the country in which You first received it, You assume the responsibility for compliance with all applicable export and re-export regulations, as the case may be.

LIMITED WARRANTY

THE SOFTWARE PRODUCT AND DOCUMENTATION ARE PROVIDED "AS IS" AND WITHOUT ANY WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY LAW, VBRICK AND ITS SUPPLIERS DISCLAIM ALL WARRANTIES OR CONDITIONS, EXPRESS AND IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WITHOUT LIMITATION ALL WARRANTIES OR CONDITIONS WITH RESPECT TO THE SOFTWARE PRODUCT'S OR THE DOCUMENTATION'S TITLE, NONINFRINGEMENT OF THIRD PARTY'S RIGHTS, QUALITY, PERFORMANCE, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

WITHOUT LIMITING THE FOREGOING, NEITHER VBRICK NOR ITS SUPPLIERS WARRANT THAT THE SOFTWARE PRODUCT SHALL BE OPERABLE, UNINTERRUPTED OR ERROR-FREE, OR THAT IT MEETS YOUR REQUIREMENTS, OR THAT IT WILL FUNCTION OR OPERATE IN CONJUNCTION WITH ANY OTHER PRODUCT OR HARDWARE.

THE ENTIRE RISK AS TO THE USE, QUALITY AND PERFORMANCE OF THE SOFTWARE PRODUCT AND DOCUMENTATION IS WITH YOU. NEITHER VBRICK NOR ITS SUPPLIERS IS OBLIGATED TO PROVIDE ANY SUPPORT SERVICES TO YOU. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OF ALL WARRANTIES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

LIMITATION OF LIABILITY

IN NO EVENT WILL VBRICK OR ITS SUPPLIERS (OR THEIR OFFICERS, EMPLOYEES, DIRECTORS, AGENTS OR REPRESENTATIVES) BE LIABLE FOR SPECIAL, INCIDENTAL, PUNITIVE, RELIANCE, INDIRECT OR CONSEQUENTIAL DAMAGES, (INCLUDING BUT NOT LIMITED TO DAMAGES RESULTING FROM LOSS OF DATA, LOSS OF USE, LOSS OF ANTICIPATED PROFITS, LOSS OF GOODWILL OR LOSS OF BUSINESS REPUTATION) RESULTING FROM EITHER THE SOFTWARE PRODUCT OR DOCUMENTATION OR BOTH, EVEN IF VBRICK OR ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF ANY SUCH DAMAGES.

EXCEPT WHERE OTHERWISE REQUIRED BY APPLICABLE LAW, VBRICK'S OR ITS LICENSORS' OR ITS SUPPLIERS' LIABILITY TO YOU OR ANY RELATED THIRD PARTY FOR ACTUAL DAMAGES FOR ANY CAUSE WHATSOEVER WILL BE LIMITED TO THE AMOUNT PAID BY YOU FOR THE SOFTWARE PRODUCT; CLAIMS FOR DAMAGES MUST BE MADE WITHIN ONE (1) YEAR OR BE FOREVER BARRED.

This limitation of liability shall not apply to liability for death or personal injury resulting from a party's gross negligence, to the extent applicable law prohibits such limitation. Some jurisdictions do not allow the exclusion or limitation of incidental, consequential, special, punitive or indirect damages, or the limitation of liability to specified amounts, so the above limitations or exclusions may not apply to You.

MISCELLANEOUS

If VBrick provides any modification, enhancement, replacement or update for the Software Product to You, such modification, enhancement, replacement, or update shall be governed by these terms and is permitted only if You possess a valid license to the previous version of the Software Product to which the modification, enhancement, replacement or update applies. VBrick may also require additional or different terms and conditions as a condition to Your using such

modification, enhancement, replacement or update. Your installation and use of a modification, enhancement, replacement or update indicates Your acceptance of these terms and any such additional or different terms and conditions with respect to such modification, enhancement, replacement or update.

The failure of any party at any time to require performance of any provision of these terms shall in no manner affect the right of such party at a later time to enforce the same. No waiver by any party of any condition or of any breach of any term herein, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or of any breach of any such term or any other term set forth herein.

If any provision of herein is inoperative or unenforceable for any reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision of these terms invalid, inoperative, or unenforceable. The invalidity of any portion of these terms shall not affect the remaining portions of these terms.

The governing language of these terms, the Software Product and the Documentation is English.

You acknowledge that issuance of Your order does not constitute general publication of the Software Product and Documentation.

If You have questions regarding these terms, please contact Contractor's representative, or www.VBrick.com/support/online_support.asp or write to us at VBrick Systems, Inc., 12 Beaumont Road, Wallingford, CT 06492.

VBRICK TECHNICAL SUPPORT VBrick Technical Support is generally limited to the current product release and the previous two releases. The table located on the following website shows the history of documentation that has been added to these pages.
